E Pro-Stat 64 Liquid Protein 30 oz. Bottle (Concentrated Liquid Protein)

Flavors: Wild cherry punch, butter pecan, natural (honey-vanilla). A liquid protein has to have a pleasing taste and Pro-Stat 64 delivers. Pro-Stat 64 is a sugar-free, concentrated, enzyme predigested liquid protein that delivers 15 grams of protein in each 1 fl oz serving for easy absorption and assimilation. For pre-surgery, it protects lean body mass, strength and energy. Post-surgery, it supports wound healing, recovery, energy and metabolism, and satisfies protein needs. Pro-Stat 64 is rich in Arginine, Glycine, Proline and Hydroxyproline, with high nitrogen donor capability to accelerate tissue healing, a critical factor in replenishing depleted protein stores in patients with pressure ulcers, malnutrition and low albumin levels. Pro-Stat 64 comes in three flavors (wild cherry punch, butter pecan and natural) and can be taken straight or mixed with liquids or soft food. The new formula is now certified kosher!
